NEW! Pre-SOMA Mentorship Program

The Pre-SOMA Mentorship Program has been created to connect Pre-SOMA members with SOMA members. One of our goals is to provide pre-medical students with someone they can reach out to who can offer first-hand advice and feedback about a variety of topics, including: MCAT, Pre-Medical Curriculum, Personal Statement, Curriculum Vitae, Interview Tips, The Application Process, School-Life Balance, Leadership, Medical School. In order to determine how many mentors we will need, and to set you up with a mentor, please fill out the following Google Form. **It's not too late-- sign up here:** <https://forms.gle/i2sADPHNh5UcPwT8>

Just DO it: a talk on osteopathic medicine

On 12/17, National Pre-SOMA had the opportunity to speak to the Brooklyn-Queens-Long Island Area Health Education Center students aged 15-19 about osteopathic medicine and achieving your dreams. If there is a community group that you feel would benefit from a presentation like this, please reach out to us!
